STUDENT INJURED

Injured while playing in an East Bay soft ball league game last Saturday night, Aloha Knoblich, prominent State student, will be forced to drop out of school for the rest of the semester.

College Theatre Plans "Post Road" Presentation at Humboldt on Nov. 5

With three activities scheduled in the future, the College Theater group is busy with practice preparations this week. On Thursday, October 22, College Theater meets in the Little Theater (annex B2), where the play production classes will present a one-act play. All students interested in this work are invited to attend.

On November 5th, College Theater will journey to Humboldt, where they will present "Post Road" for Humboldt State College. Every year a play festival is put on by the two colleges.

"Friday, the 13th, has been a lucky day for State College Theater openings," says Miss Carola Beetz, who has the lead in the coming vehicle. "Two of our most successful productions, 'Dover Road' and 'Death Takes a Holiday' were both launched on this date."

She believes that "Post Road," which opens on Friday, November 13th, will be no exception.

Juniors Rush Final Plans

State's forthcoming Junior Prom on "Big Game Night" at the St. Francis already shows signs of becoming the most outstanding Prom ever held at the college, according to advices from the different committee chairmen.

Howard Demeke, Junior president, said, "The night and the place are a perfect set-up. It is ideal in every respect, because it will catch the atmosphere of Big Game night and is bound to be a popular place at that time."

Gary Evers will lead his orchestra for the dancers. Bud Decker, chairman of orchestra arrangements, said that all necessary agreements had been completed with Evers and that the Prom was assured of a fine orchestra for the occasion.

It was believed by members of the Bids and Program committee that it would be possible to cut on the allotted budget on this item and still get an attractive program. It was pointed out that such a saving would practically assure the success of the dance financially.

A monster ticket drive will be launched soon, headed by Everett Parrish, class treasurer.

DR. MICHELL IN BOOK REVIEW

That Dr. Elene Michell, professor of sociology, manages to keep up with her writing, as well as teaching, is demonstrated in a book review written by Dr. Michell, and appearing in the October edition of the Sierra Educational News.

Dr. Michell writes that the new 600-page text book on occupations by John M. Brewer, Graduate School of Education, Harvard University, is a thoroughly modern text, every page of which shows the author's understanding of the high school age, and his mastery of teaching technique.

Brewer's book does not talk down to the student, but meets the problems of labor and unemployment in a constructive manner, according to Dr. Michell.

"If I were teaching vocational guidance I should choose this book, aside from other reasons, because the underlying theme is an understanding of industrial life."

High Juniors Will Sell Doughnuts Here

Encouraged by the success of the doughnut sale last term, the High Junior class will sell "sinkers" again on Friday, October 30, from 11 a. m. to 1 p. m. in College Hall and on the gym veranda.

Valeska Dougherty, chairman of the sale, has appointed Blanche Tovey, Marie Quarteraro, Kay Faulkner and Harold Delma to sell the doughnuts.

Later Plans Are Made In Soph Strut

Muldoon Announces That Al Lamont's Orchestra Will be Featured At Event

Plans for the Soph Strut were crystallized this week with the announcement by Frank Muldoon that Al Lamonet's orchestra will supply the rhythm for the affair. Bids are to go on sale Monday at a dollar and a quarter.

"This orchestra has played at the Fairmont Hotel for several well-known clubs here in the city," said Muldoon. "The music at the Y. M. I. and Y. L. I. dances, at which Lamonet played, was excellent."

Finding the Club will present little problem this year, due to the fact that the road up will be plentifully lined with signs and arrows. Maps will be posted about the school.

"Decorations will not be elaborate," said the Soph prexy. "A simple Hallowe'en motif will be carried out."

"It's a right smart way to spend Hallowe'en night, because no rotten eggs or tomatoes will be allowed to spoil your charm," baldly stated the president of the second year Staters.

More Dances Are Scheduled

A number of rallies are to be held during the coming semester, scheduled for Thursday, October 22; Friday, October 30, and Thursday, November 5.

The coming dances are: The Music Federation Dance on Friday, November 6; the Frosh Dinner Dance at Venetos on Thursday, November 19; the Junior Prom at the St. Francis on November 21, and the Senior Dinner Dance on Saturday, December 5.

Besides the rallies and dances, there are several other events coming up. The Block S Amateur Show on October 20, and the football games on October 16, October 31 and November 6.

The holidays coming before Christmas are Armistice Day, November 11 and the Thanksgiving holidays, November 26-27.

Rally Honors Grid Team In Chico Sendoff

Fine Vaudeville In Store For Those Attending Rally — Dances— Good Music

In order to give the football team a rousing send-off for the Chico game, which will be held Friday, October 23, a rally will be held Thursday at 11 o'clock in the gymnasium.

Bud Decker has listed the entertainment to be offered as follows: A vaudeville act will be presented by the Columbia W.P.A., Joaquin Garay will be presented, a Mexican Hat Dance will be offered, and last but not least, Jose Malinas will direct his Collegiate Rumba Orchestra in a 20 minute operetta.

The "come one come all" policy has been strongly enforced by Bud Decker in connection with the event.

Following the acts the rally as a group will gather on the side wall and send the team on their way with a fine show of enthusiasm.

International Club Sponsors Two Day West Convention

B Students Are Honored

In honor of students who reached a B average status for two consecutive terms in San Francisco State College, the Kappa Delta Pi, International Honor Society, gave a tea last Thursday.

This event was held in the activities room of the College between 4:00 and 6:00 o'clock. About 70 students attended.

Dr. Alexander C. Roberts, President of State, spoke on the "Ideals of Kappa Delta Pi." Dr. Sherman Brown, sponsor of the Club, spoke also on the future plans of this Society. The plans include a boat excursion to survey the bay bridges. This outing is scheduled for the end of October.

Round Table Talks On Modern Topics For Carnegie Group In Meet

Promoting a regional conference of International Relation clubs, the International club of State will sponsor a convention of the groups affiliated with the Carnegie Endowment. Dates for the meeting have been set for Friday, October 30, and Saturday, October 31, with delegates from all over the West attending.

The tentative program calls for the various meetings to be divided into round-table discussion groups. Topics for these groups include "Democracy and Dictatorship," "United States' Foreign Policy," and "Peaceful Change."

The final sessions will be devoted to summarization of the round-table discussions and the business meeting.

The convention will open with an address of welcome by Doctor Alexander C. Roberts, president of the college. Miss Amy Hemingway Jones will be the guest speaker at a luncheon to be held on Friday.

Members of the group will meet at Prescott Inn, Santa Cruz, in a conference with other collegiate groups over the Thanksgiving holidays.

The club has been raising funds through the sale of "football" dolls made by the members.

NEEDLEWORK BRIDGE TO BE HELD TOMORROW

The annual Needlework Bridge will be held at the Siena Clubhouse, 350 Buchanan Street, tomorrow at 8 p. m.

Many valuable prizes, including a door prize, have been donated. Refreshments will be served. Everybody is invited to attend.

Chairmen for the evening are: Lucille Heath, general chairman; Evelyn Thurling, chairman of Refreshments, and Dolores Goetzee, chairman of prizes.

Co-op Purges Cluttered Shelves of All Jewelry

A drive by the present Co-op management to dispose of the present stock of jewelry has been started. The campaign is to be carried on in the form of weekly sale specials. Rings, bracelets, necklaces are all going at a sacrifice.

The special on the stock of college stationery has been carried on with the merchandise being disposed of at a very low cost, letter openers being the special inducement.

This week the drive has been featuring compacts, the sale prices being from 25c to $1.50, while the values run to $5.00.

Starting next week the drive will concentrate on the supply of college jewelry. All the present supply will be offered at special closing-out prices. The supply is large and offers a fine selection of articles.

Pendants and necklaces will be featured next Tuesday, and College co-eds will have a chance to make an outstanding contribution to ure the supply of rings which give the entire student body a chance to add a distinctive note to their present sojourn at the college.

REGISTRAR REVEALS STATE COLLEGE AS A COSMOPOLITAN SCHOOL, MANY FOREIGNERS

San Francisco State College is a real melting pot. We have both foreign and home born students from all nationalities, according to statistics from the Registrar's Office.

Taking Chinese alone, we have three foreign-born and ten home-born, of which four were born in Hawaii and six in the United States. The Japanese are fewer, totaling eleven, all home-born. There are fourteen Filipinos studying for Liberal Arts Degrees.

Other nationalities represented are: Russia, 3; Canada, 11; Rumania, 1; Mexico, 2; England, 7; Ireland, 2; Italy, 3; Poland, 1; Scotland, 2; Germany, 1; Australia, 2; Armenia, 1; Switzerland, 1; Persia, 1; Wales, 2, and Holland, 1.

In the Low Freshman Class there are 120 students born in the U. S. with foreign-born parents. The nationalities represented are: Canada, 9; England, 16; Hungary, 1; Russia, 10; Jugo-Slavia, 3; Ireland, 17; Italy, 17; Mexico, 1; Spain, 1; Agnes Island, 1; Denmark, 5; Germany, 17; Armenia, 1; Poland, 4; Sweden, 5; Scotland, 2; New Zealand, 1; Australia, 1; Austria, 2 Corsica, 1; Greece, 1; Norway, 4, and Finland, 1.

CONCERT TO BE GIVEN OCT. 23

G. Marston Haddock's concert, "England's Song Heritage," which will be given on the State College Campus Friday, October 23, is being looked forward to by all music lovers, according to Miss Eileen McCall of the music department.

Haddock, who will arrive here on one of his many world tours, is principal of Leeds College of Music, England, and the School of Acting for Northern England. His concerts have been acclaimed the world over, not only for his voice, but also for his ability to portray the spirit of his selections.

STUDENTS ASKED TO AIR GRIEFS

A new innovation in the form of complaint boxes will be installed in both the Book Store and the Cafeteria some time during the next week, according to an announcement from the Co-op. Committee after its regular semi-monthly meeting October 8th.

The boxes will be placed in conspicuous spots and will be given a catchy title to attract attention.

In explaining the reason for the action, members of the committee stated that it was a plan to gain a cross section of student opinion on ways and means of improving and putting into execution methods which would result in better service during the rush hours.

FROM THIS SIDE

By BILL BUCHAN

We've often wondered just how much attention is paid the public address system at a football game. Too often it is taken for granted as part of the game.

Yet to see the inner workings of the system is amazing. Costly equipment must be kept in perfect condition. Batteries must be kept to a peak charge. It isn't a matter of driving into the grounds with the mobile unit and letting the announcer do his stuff.

And how much the system would be missed. It adds the certain touch to the game that marks the difference between a football game and the game. It gives more pleasure when the players are named who participated in each play.

So it goes. We think State has been fortunate in securing an address system through Les Vogel. Vogel, a leading automotive dealer in the city, is known for his interest in sports and for his aims in helping the sport fan.

As a member of the Associated Students and as editor we're taking this opportunity of thanking this "Friendly Dealer" of autos for the pleasure he's given us at all the games.

The Santa Barbara Trip

We can't get our mind off of the trip to Santa Barbara. When you consider that the famed Daylight will act as the football special for the rooters that should be an attraction in itself.

But the best part of the trip will be the two-night stay at Santa Barbara. That town, famed in the history of California, should be a mecca for the State rooters. It is famed also as the playground of Southern California.

We hope we will have some real news for the readers of the Golden Gater concerning this trip. If our plans are given approval we will present something that will be of interest to all students of the college.

This Mascot Business

Last year the Golden Gater started a campaign to change the name of the college mascot. We were in favor of the move. Unfortunately nothing was done about the change.

Now we would like to make a suggestion. Inasmuch as most colleges use an animal or bird as a symbol we want to be different. We offer the name of Golden Tide as a suggestion for the emblematic name of the college.

Considering our location, it is particularly apt. In fact, it has found its way into the sports pages of the Golden Gater. Its origin? Why the college hymn!

Thots While Strolling the Campus:

Bob Sweeney is most vehemently insisting that we let people know that he's very particular about the girls he's accused of going around with. But surely he can't complain if we mention that Sally Douglas seems to be his latest heart-throb. And she's the type that one could have a very hearty throb about, what with the cute dimples and all *** Bernard De Bishop doesn't want anyone to know that he coaches a girl's basketball team, so we decided not to mention it ... Talk about attraction! Bob Sisco, president of S. F. J. C. student body, sat on our side all during the State-J. C. game just because of Betty Zech. *** We've almost overlooked one of our steadiest couples. In fact, they're right under our nose most of the time—that is, if we stand on a chair! We refer to Erwin "Six foot five" Bischoff and Dot Fox. Maybe she just helps him with the Campus movies. Maybe! *** Everyone's going to Santa Barbara! Are you?

Side Slants at the Game:

Add to our Cinderella men: Curtis Zahn, frosh manager *** Saw Ronnie English with two cute girls. Guess he was saving one for a friend *** Johnny Goodwin was doing a nice job of looking after Barbara Mason, a grad. Lotsa girls were terribly disappointed, Johnny, especially when when you tell them that no one else matters. *** Darryl Hopkins is so rapt up in Irene, the attractive brunette he goes with, that he doesn't even bother to look cross-eyed at a State girl. But from all the nice things we've heard about Irene, we don't blame him a bit. *** Surprised to see Howie Demeke with Margie Collanan. Also, it seems he's trying to bring about social reform by wearing **spats** at Hughie's. Gosh! *** Talk about mix-ups. Who was Harold Thompson's blonde friend and what was Gus Revel doing with Harold's usual companion? *** Mike "Musical Notes" Cahn and Dot Murray were very much present, eating ice cream all over the back of our neck *** Jean Coplestone—the personification of pep from the press box. *** Paul De Poister was squiring Connie James. Both music students, but no apparent discord. ***

Sincerest Wishes:

To Bob Sharetg for a speedy recovery. He played a swell game and deserves a big hand.

Muscle Men Trounce Pugs 12-0 in Final

Win Touchtackle Title In Climax of Intra-Mural League Race

Winning the playoff on two passes from Ray Wilkes to Ryan, the Muscle Men defeated the boxing class Pugs by a score of 12 to 0 and will be awarded the winner's ribbon.

The Muscle Men used their passing attack to good advantage Maury Schwartz's Pugs in the absence of Dave Schiller, who watched the game from the side-lines. The game was a passing battle between the two teams. The Muscle Men had no walkaway, because they had a tough team to fight in the Pugs, who had no poor passing attack themselves.

The Pugs lived up to the claims that were made by their captain, Maury Schwartz, that they were a rough and tough outfit and they really gave the Muscle Men a battering. The game was a fight between two teams, either of which could well lay claim to the title of champion.

State Squad Off on First Seasonal Trip

Chico Drops Game To Pacific As Golden Tide Prepares For Annual Tilt

San Francisco State College's football squad will journey North this Friday night to play their first out-of-town game with Chico State at Oroville.

Winning from Menlo J. C. and dropping their contests to Sacramento J. C. and College of the Pacific, the Wildcats will depend on several of their all-conference players and on a heavy line which contains one 250 pounder, in the form of Ed. Perry, tackle.

Co-coaches Dan Farmer and Hal Harden plan to take the whole Gater squad on this trip and are looking forward to a result a lot different than that of last Friday night.

As was stated in last Friday's issue, the Chico Wildcats took a lopsided victory from State in '35, but this year they will be taking on a team that has shown plenty of fight and spirit, and a bunch of fellows that never say die even though the gun has gone off.

Coach Acker, of the Wildcats, will pin some of his hopes on Clarence Pentico, end, and Leslie Kreigh, quarter, while Farmer and Harden will utilize Captain Harkness and Gordon Bolander for the kicking; Bob Kelnhofer's ability to carry the pigskin, and Dave Schiller on the receiving end of Harkness' or Bolander's passes.

Both teams are practicing hard and when Friday night rolls around will be out there giving and taking in the right spirit.

UNKNOWN X PROVES TO BE XPLOSIVES

Miramonte Junior College was **X**, the unknown quantity before eight o'clock last Friday night, but before ten-thirty of that same evening the Golden Gaters found out that **X** stands for X-plosives. The russet-jerseyed lads swept up from the South and gave the Staters a vaccum cleaning almost as bad as the one dished out by Marin.

Dale Gilmore, the Red Lion of Miramonte, packed just a little too much Ethyl in his cylinders for the 1936 model State eleven. The P. A. announcer was spouting his name so often that it sounded like an advertising plug. Gilmore was a triple-threat man, whose football future with some big University is assured. His passing provided the opportunities for most of the Mounties' touchdowns and his kicking was responsible for keeping State out of Jaysee territory.

* * * * * * *

The tragedy of the whole game was the injury to Bob Scharetg, who suffered an injured back and was taken to St. Luke's Hospital. From present indications, and according to the Doctor in charge, he is expected to recover fully and is at present (Saturday, October 17) resting comfortably from concussion of the spine.

* * * * * * *

Gordon Bolander proved that he is capable of filling Harkness' shoes by playing bang-up ball during the time he was in the fracas.

* * * * * * *

The "little men," Bob Kelnhofer,, Pete Pedroni and Billy Hammond, showed up well, but were unable to return the Lion's punts any great distance on account of the fast Russet ends and the lack of consistent downfield blocking on the part of State.

* * * * * * *

Speed is one thing that will beat State every time and when speedy men get down under punts the ball carrier is up the well-known tributary. Remember the speed of Johnson and Mullins of Marin J. C.? Remember the score of that Marin-State encounter? Then you can realize why the points rolled up Friday night it was the SPEED of Gilmore and Finch.

Down In Front

By ED. SMITH

This Friday nite will see the Gaters in action away from home for the first time at Oroville against Chico State. This game seems to be the really traditional game of the Gaters. Coach Dan Farmer being from Chico State, will endeavor to show his home town just how good his boys can do against his former coach, Art Acker.

Down in the locker room I picked up quite a bit of scandal, which was very interesting to say the least. Bob Chandler, it seems, has a secret passion for bow ties, and "Red" Thompson is likewise. Don Morgan has dethroned the champ, Hal Beseman. Bese held this crown for two years, if you know what I mean, yea! Bill Ferem's girl friend gave him her picture and Bill was proudly displaying it before his fellowmen, when Gordon Bolander piped up, "I'll have to take my picture back, she didn't sign mine!"

If the situation continues down in Salinas, it is most likely that we will have to use lettuce instead of a football. Of course that is one way of getting a "head." Personally, I think that if the game were played here it would be a much better proposition all around. If the game is played down in Salinas, it won't draw flies, so to speak, but if played here, it would mean there would be a silver lining in both pockets.

Intramural Basketball is to start in the near future, somewhere around November 1st. It is the hope of the Athletic Dept. that over 200 men will turn out for this sport.

I would like to throw an orchid to Adolph Pedrin, who writes for the S. F J. C. paper, "The Guardsman." In his column, "Dolph Declares," he gave his side of State's victory, which was truly absent of all sarcasm and criticism. His praise for Bill Harkness was unlimited. Truly it was more than I expected from their paper. Nice goin' Dolph.

State Team Whipped By Miramonte

Gilmore Shows Heels To Golden Tide In 31-0 Victory — Bob Scharetg Hurt

It's the same old story, a win one week, a loss by five touchdowns the next. That's the situation the State varsity finds itself in after its 31 to 0 shellacking last Friday night.

The Miramonters were able to push over five touchdowns through the State line in a game that was theirs all the way through. The first tally came in the second quarter, when Finch completed a 25 yard drive by scoring from the one yard line. The Lions had this chance on a bad kick by Harkness that went out of bounds on State's 25.

Almost To Town

On the kickoff at the half, State appeared to be going to town when Billy Hammond returned the kick 20 yards to the Gater's 45 yard line. On the first play Harkness' pass to Abbey was complete for a first down on the Mounties 32. Harkness plunged through for two yards and then again carried the ball to the Jaysee's 21. Schiller went to the 19 and once more Harkness made a 3 yard gain. Abbey was next on the receiving end of one of Harkness' passes for a first down on the 11 yard stripe. Four unsuccessful passes, thrown by Harkness, gave the Atascadero eleven possession of the pigskin.

Late in the third quarter, the Miramonters scored again, this time by a pass from Gilmore to Cress. The kick was under the cross-bar and the score stood at State 0, Miramonte 12.

The final two scores came in the last quarter, the first resulting from a short pass from Finch to McLaughlin, with the conversion being made good and moving the score up to 25-0 in favor of Miramonte. A pass from Gilmore to Finch and a lateral to McLaughlin accounted for the final tally.

Threaten Twice

It was Miramonte Junior College all the way through, State only threatening the Lions goal twice. The first time occurred in the second period, after the Mounties had scored their first touchdown, when the kickoff was returned 25 yards to the Red Lions 48 yard stripe and then the Golden Tide lost the ball on downs after Harkness' pass to Schiller was complete down to the Miramonte 18 yard line. With Gilmore starring on a series of end runs, the Mounties concluded their thirty minutes of play with the gun ending the first half.

Outstanding players for State were Captain Harkness, who played his regular good game, despite an injured ankle, which had kept him out of practice for a week; Chester Phillips, end, who more than once could be seen on the bottom of a bunch of Purple and Red; Billy Hammond, who relieved Kelnhofer at half and Bob Scharetg, who suffered a serious back injury and was taken to the hospital in the last quarter. Dale Gilmore was undoubtedly the outstanding man on the Miramonte squad. He packed the pigskin fifteen times and averaged 6 yards per try.

3 Staters To Win Trip To Speech Convention at Pasadena, November 24

That the two most outstanding college debaters and the best orator of the College will be furnished transportation, with all expenses paid, to Pasadena, where the Western Teachers' of Speech Convention tournament will be held on November 24, 25 and 26, was definitely promised by Jack Werchick, president of Delta Sigma, debating organization, in an interview last Thursday.

However, Werchick continued by saying that an elimination tournament is absolutely necessary in order to determine the best qualified debaters to represent the College during the tournament.

Because of the fact that this extemporaneous and debating tournament will be staged along specific fields it therefore will be necessary to limit the elective fields in order that they will coincide with those of the Western Teachers' Convention, according to Werchick.

Therefore Werchick said the following topics for the oratorical contest are as follows: (1) Democracy, (2) Aviation, or (3) Business as a Profession. While the extemporaneous speaking will be limited to some phase of traffic safety. Students interested in debating must debate on, Resolved: That Congress be empowered to fix minimum wages and maximum hours for the working people.

In closing, the forensic president said that the following rules will be incorporated for the intramural speaking and debating contest on the campus.

(1) Only regular State students are eligible to compete for the awards.

(2) No notes will be used when making the delivery.

(3) Must be prepared on one of the above mentioned topics.

(4) No delivery is to exceed 1500 words.

(5) All deliveries are to be original and authentic.

(6) All competitors must register on or before Friday, October 20th.

For the benefit of those students interested in competing for the awards they are immediately advised to sign up on one of the posters in College Hall or else to see Jack Werchick as soon as possible.

FEW STUDENTS PASS SUBJECT B

Only thirteen students passed the subject B examination which was held August 29 in Anderson Hall. Those who passed are: Dorothy Altschuler, Lorraine Arata, Yolanda Bergamini, Alyce Burkett, Marion Clarenbach, Charles Eisenhut, Lillian Johnson, Marie Johnson, Betty Lindstrom, Rowena Minor, Helen Murphy, Florence O'Berg and Gibson Kingren.

Dr. Frank L. Fenton, head of the English department, announces that another examination will be held the early part of December for all those who have failed and for all those who have to take this examination.

FRESCOES PAINTED BY P.W.A. ARTISTS

Painting day and night over the entrance to the men's Gym are Miss Hebe Daun and Mr. Jack Moxom, P.W.A. artists. They are dabbing four frescoes on the walls of the foyer, depicting groups of school children. These frescoes or murals, better known as "friezes," take something like months to complete. Although material is furnished by State college through Dr. Roberts, the "labor" is financed by PWA.

Both painters have worked on the frescoes in the Frederic Burk Library and entrance, and on the Coit tower. Mr. Moxom is planning many more frescoes for the halls of Frederic Burk, to be started in the near future.

Frescoes, he says, have been in the dormant stage for the last few hundred years, and efforts to revive this ancient art are still in the experimental stage.

Freshman Advisors Ready For Council

Students are urged by Mr. C. S. Mundt to take advantage of the office hours of the freshmen counselors in room 106B, College Hall.

The counselors are there and will be there throughout the term, for the purpose of helping students with their problems. Up to the present time students have not made use of this fact, according to Mr. Mundt.

HISTORY DOES REPEAT ITSELF!

Just as large as its predecessors in proportion to price, the 1937 **Franciscan** will be outstanding (we hope).

CHINESE FEED FOR A. B. CLUB

A dinner at the Canton Low Restaurant at 6:15 tomorrow night will round out the next meeting of the A. B. Club.

Canton Low is in the heart of Chinatown, on the corner of Grant and Sacramento streets. Those attending may have their choice of a real Chinese or American dinner at 50c and 55c.

Before the dinner many of the group are taking a tour through Chinatown. Mr. Lee, the guide, has promised that the trip will include many interesting and educatiing places. A reduced rate of 25c per person has been secured.

All students holding A. B. degrees are heartily invited to come and also to bring their friends.

For further information, or to make reservations, see Mr. Clarence Jorgenson, president of the Club.

"Beat J. C." Profits Donated By W. A. A.

Profits of the "Beat J. C." tag sold by the Women's Athletic Association were donated to the student body for the improvement of Roberts' Field. There were 233 tags sold, which netted a profit of $10.75.

This is the second time that this organization has contributed to the general student body fund, as last spring semester they gave $75 to be used in the same manner.

Gerta Bolander announced today that all reservations for the luncheon, to be held on play day, Oct. 31, must be in to her before Friday, October 23. The price of the luncheon is set at 25 cents per person.

DOES YOUR CHIN LINE SUGGEST AGE?

It will if you forget to reserve your 1937 **Franciscan**. Room 114, 50c, that's all until we collect the other buck.

Social and Formal Meetings Feature English Majors, Minors Gathering

That open meetings will be held twice monthly was announced by Mr. Frank L. Fenton for English majors and minors. One meeting a month will be purely social, with some light refreshments, while the other will be more formal and for the purpose of obtaining facts.

The social get-together will be held every fourth Wednesday of the month from 4:30 to 5:30 o'clock in the activities room. An official staff hostess will be appointed for each meeting. Everything will be completely social, according to Mr. Fenton, who said that to make it as informal as possible the members will be served refreshments.

These meetings resemble the faculty homes of larger campuses. They are planned for the purpose of permitting the students to know one another and members of the faculty better.

The more formal meeting will be held each second Wednesday of the month at noon, to give information to the students. Mr. Fenton explained that not only English majors and minors but any one interested in English can come to the meeting.

The first meeting of this type was held last Wednesday. Mr. Fenton gave the students a talk on the Subject B test. At future meetings topics such as transfer credits to the University of California and Stanford will be discussed. Speakers from outside of the college will give talks to the students.

Editor the Golden Gater:

Would you please see that a correction on the Subject B story that appeared in yesterday's paper is run in the Tuesday issue? Those required to take the examination are all students working for the kindergarten-primary, or general elementary credentials, or the junior high school credential combined with one of the others. There is no longer a special junior high credential. The next examination will be given on Saturday, December 5. Those who intend to go into practice teaching in the spring term and who do not pass the December 5 examination will be given another chance early in January. But as the article reads it sounds as if the prospective practice teachers should not take the December 5 ex. This is not true. We do not want to give an examination in January if we can possibly avoid it.

Signed:

FRANK L. FENTON.

At the Executive Board meeting the charter of the Young Democratic Club on the campus was not "renewed," or rather, was revoked. The reason given was that if the Young Democratic Club were on the campus, other political organizations would have to be given permission also. Fear was felt that these organizations would cause unnecessary trouble on the campus: The students might get excited, might argue, might become interested, might even think for themselves. Too, college should be aloof from base political discussion, and remote from disturbing situations in the world.

Do you remember what the campus Presidential Poll Committee reported last week? "The lack of political consciousness on the campus was a fact brought home to the workers at the poll. Many of the students had never heard of the Townsend Plan, or if they had, did not have any idea as to its provisions. Remarks such as: 'They're all the same to me'; 'Who's running', and 'I don't know enough about the candidates to vote,' were frequent."

What a situation—that college students, who should be America's future leaders, are apathetic, uninformed, with no minds of their own. The Poll Committee's report conclusively shows that outside influence is not enough to stimulate student interest in political issues.

If the Executive Board is progressive and is considering the welfare of the students, the college, and the nation, it will not put obstructions in the way of free inquiry, discussion and political activity.

Smoke-O
...that's the whaleman's signal for a smoke
And on land and sea, from coast to coast... with millions of smokers, men and women... when they take time out to enjoy a cigarette it's
"Smoke-O... pass the Chesterfields"
Chesterfields are milder... and what's more they've got a hearty good taste that leaves a man satisfied.
